Please note

- There will be a four week notice period required by both the garden owner and the grower if they wish to terminate the agreement before the end of the original timescale request.
- The scheme is designed to promote food growing. You will only be expected to tend the vegetable plot - it is not designed as a garden maintenance service.
- All growers will be Police-checked by Town & Country Foundation.
- The scheme will organise and pay for this as part of the registration process.
- You will be automatically covered by the scheme's insurance while you are on the garden-owners premises.
- We will try to match you with someone as near your home as we can.
- Data collected will only be used for this scheme and will be kept securely.
- Personal data will be kept securely.
- Your details will not be passed to a 3rd party.

Agreement

I/We confirm that there is no legal reason why we should not be in contact with vulnerable people, the elderly or children. I/We have no objection to verification of this being obtained from the Criminal Records Bureau. I am prepared to complete a CRB (Police check) form.

I/We understand that our details will be entered onto a Garden Share database held by Transition TW and Town & Country Foundation. This information will not be passed onto other parties, unless permission is given or if required to do so by law.

I/We accept that my name and phone number may be given to someone who is a suitable match.

I/we accept that the Transition TW and Town & Country Foundation may contact me/us in the future to see how the scheme is working.
